

As an international cooperation enterprise for sustainable development with worldwide operations, the federally owned Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH supports the German Government in achieving its development-policy objectives. It provides viable, forward looking solutions for political, economic, ecological, and social development in a globalised world. GIZ promotes complex reforms and change processes. Its corporate objective is to improve people's living conditions on a sustainable basis.

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, is announcing as following:

## **Call for expression of Interest**

The GIZ project **“Support to the EU Integration Reform Processes in Kosovo”**

invites suitably qualified companies to develop the website of the Ministry of Environment, Spatial Planning and Infrastructure (MESPI). The MESPI aims at integrating its Environment, Spatial Planning and Infrastructure components into one website in a visually appealing and very user-friendly way.

The checklist below provides further information about the conditions and expectations of the GIZ and MESPI. Based on the responses to this Request for Information, GIZ will pre-qualify companies that will then be sent a Request for Proposal (RFP) and will be formally invited to submit more detailed proposals. Response to the RFI (Request for Information) does not necessarily imply that the expert will receive the tender papers.

Based on the outcome of the RFP, the GIZ will offer a contract to the company selected. Please note that all correspondence and dealing with the GIZ must be in English.

### **REQUEST FOR INFORMATION**

- 1) Proof of experience. The company should have 5 or more years of experience in web development, design, or related field.
- 2) Proof of expertise. The company should provide the Curriculum Vitae (CV) of their lead implementing group.
- 3) The company should provide the names of 2 reference clients with whom they have provided a similar work as required by the GIZ. One of the references provided should be a client that has contracted the company within the last 18 months. The company should note that references may be contacted by the GIZ at any time.

Interested companies are invited to submit their electronic application in English language to the deadline for submitting the application is **08.11.2021 at 15:00**, via email at: [XK\\_Quotation@giz.de](mailto:XK_Quotation@giz.de), titled/labeled as **“83395135 – Redesign of MESPI's Website”**.
