

Funded by the European Union

VACANCY ANNOUNCEMENT

In the context of the EU-funded Project ESVET PRO KSV/801 (EU Support to Vocational Education and Training (VET) , Professional Requalification and Occupation), the Luxembourg development cooperation agency (LuxDev) as the implementing organization is recruiting a:

National Expert in VET (NEV)

Background

Project KSV/801 is envisioned to contribute to the development of a quality-based, inclusive, and accountable education and training system in line with the best international standards. More specifically, the project takes the responsibility to deliver three, main results:

1. planning and provision of vocational education is responsive to the needs of learners and employers in selected vocational schools
2. graduate tracking system is in place in initial and continuous VET to ensure consistent evidence on graduate employability and skills relevance to labor market needs
3. arrangements and provision of RPL at Kosovo level are in place and operational in the most needed economic sectors/occupations as a form of employment enhancement and lifelong learning opportunities for adult learners.

Responsibilities of the expert

The objective of the National Expert in VET (NEV) is to provide support to the three VET schools supported by the Project working in close cooperation with the Chief Technical Advisor. The NEV will carry out activities intended to deliver on Result 1, mainly related to the planning and provision of vocational education responsive to learner and employer needs.

As a key member of the project team, the NEV is required to provide permanent technical assistance and to facilitate cooperation with all partners of the Project.

Interested candidates are invited to submit the following documentation corresponding to our requirements:

- a. Cover letter
- b. Curriculum Vitae (All candidates are kindly requested to fill the CV Europass format in each of its parts. Applications with incomplete format or missing information might be discarded.)
- c. At least three professional reference contacts from previous employers

Remarks:

By applying for this position, candidates understand that they must be ready to undergo interviews and/or tests carried out by LuxDev. Also, LuxDev does not take any responsibility with regards to work permit arrangements. Further all candidates by applying for this position agree to present upon request by LuxDev at later stages a proof that they have never been involved in criminal acts and be able to provide a police clearance certificate.
