**Re : Electoral Assembly of the Kosovo Aquatic Sports Federation**

Dear World Aquatics Member,

On behalf of World Aquatics, we wish to present our current position regarding the planned Electoral Assembly of the Kosovo Aquatic Sports Federation (the "Federation").

The Federation has informed World Aquatics that the upcoming Electoral Assembly will be held on 2 November 2024 at Hotel Sirius, Prishtina (KOS). However, in light of World Aquatics' ongoing review of the Federation's Constitution, World Aquatics believes that no elections should be held before the conclusion of this review.

If the Federation proceeds with the Electoral Assembly, World Aquatics wishes to clarify that it will not recognise the results of such an assembly. Furthermore, the current members of the Federation's Executive Board will retain their positions until the legitimate elections are held, following the conditions outlined in the Constitution, which World Aquatics have reviewed.

We remain at your disposal for any further assistance or inquiry.

Respectfully yours,

Brent J. Nowicki  
Executive Director
